THE 2010 WCR FASHION SHOW

For those of you not familiar with our event, this is no ordinary fashion show! In 2007 the audience screamed in delight as community leaders, dressed as “Calendar Girls” strutted across the stage. In 2008, Elvis made a surprise appearance and local REALTORS® and industry members “Rocked and Rolled” across the stage. In 2009, “Party Like a Rock Star”, Ellen DeGeneres was at the show and we had several guest stars like the Blues Brothers.
